

## Alumni & Friends of SMUS GOLF INVITATIONAL 2010

After organizing a successful centennial tournament in 2006, the Alumni Association decided to make the tournament an annual event.

Proceeds from the tournament will be directed to the SMUS Alumni Endowment Fund.

The Alumni Association hopes to grow the endowment to the point where interest from the fund can provide financial aid for young men and women, who might otherwise not be able to attend St. Michaels University School.

The founding vision of the Alumni Association is that, as the endowment grows so will the level of support to qualifying SMUS students.

We gratefully acknowledge the Victoria Golf Club for welcoming SMUS on their magnificent course.

Don't golf? Join us for dinner and a chance to enjoy fine food and great company!
